Talk About It

Are you taking advantage of all the ways we communicate with each other?

TELEPHONE

The "Call-Em-All" is a phone announcement system that enables us to record a message then send it to our members and friends. *This is our primary means of communication.* If you aren't receiving calls on "Call-Em-All" and you'd like to, contact the office and give us your phone number.

Land Line: You can call the church office at **(605) 336-6780**. If we don't answer, please leave a complete message.

Text Message: You can call or text Pastor Brett at **(605) 305-6294**.

ONLINE

YouTube: We post video of worship services, Bible studies, and special events online. Our address on YouTube is **EBCSF**. Bible study users may receive the necessary written materials by contacting the office.

Website: We have lots of information at **www.emmanuelbaptistsiouxfalls.org**. Our page is updated monthly, check it often.

Pastor's Blog: The written notes from sermons contain more information than can be fit into 20 minutes. Visit us weekly at **www.wouldbest.wordpress.com**.

Email: Our email address is the following: **emmanuelbaptistsf@gmail.com**.

MAIL

Our mailing address:
1600 East Twelfth Street
Sioux Falls, South Dakota, 57103

PUBLICATIONS

Bulletin: We print and distribute a bulletin every Sunday morning. If you'd like to receive a copy by email, please contact the office with your email address.

Newsletter: We print and distribute a monthly newsletter that highlights events in the church calendar. It's essential info for folks who want to be involved. Give us a mailing address or an email address.

That's TEN ways we communicate with each other! I like to think we're the most communicative church we've ever been. Here's the *eleventh* way we communicate: come to worship each Sunday morning to hear the announcements and stay for the rest of the service.

All these forms of communication require you to get connected. Take a little initiative to contact the office, tell us how you want to stay in touch and we will gladly make it happen. Let's resolve to stay in touch as the new year unfolds!
